
Route Direction

This walk is entirely on quiet country lanes, avoiding the muddy footpaths which are currently very wet underfoot. The walk starts at the Chequers public house.

1. Turn RIGHT at the bottom of Chequers Hill onto The Street. Pass Doughty's the butcher & the village hall to the next turning on the LEFT; Old Lenham Road. Turn LEFT onto this lane and continue for about 720yds (650m) to the junction on the LEFT.
2. Going uphill, continue on this lane for just over a mile (1.6Km), ignoring the lane on the left at Temple Farm, to eventually arrive in the small hamlet of Greet. Just after Lady Margaret Manor on the right turn LEFT at the junction and take the lane going downhill.
3. Stay on this lane until reaching the first turning on the LEFT. Turn LEFT onto this lane which after about 1.5 miles (2.4Km) eventually leads to the hamlet at Seed.
4. After passing the imposing manor house of Foxenden Manor reach a turning on the left; this is Hopes Hill.
5. Turn LEFT and continue on this undulating lane back to Doddington. At the bottom, turn RIGHT back to Chequers Hill & the Chequers pub.
