
Route Directions

Start anywhere on the route as this is a circular walk.

1. Start at the bottom of Chequers Hill at the junction with The Street. Turn RIGHT and walk through the village passing first Doughty's butcher & village hall, then the service station & playing fields. Just passed the playing field turn RIGHT onto Dully Hill.
 2. Straight on up Dully Hill & where the metalled road finishes continue straight up the path between a fence and tall hedge. At the top of the hill carry straight on into the field and continue on the path ahead, passing under telephone wires. After 50yds (47 m) turn LEFT.
 3. Continue on this path which follows the line of telegraph poles. The path is indistinct & overgrown but aim for the LEFTHAND edge of the woods ahead.
 4. Join a path at the rear of the thatched building and turn LEFT skirting the farm buildings. Continue until the path turns RIGHT into an orchard. *Do not continue straight on alongside the tall hedge line.* Once in the orchard then follow the tall hedge, now on the LEFT. Where a hedge divides the orchard turn RIGHT and follow this to the end. Then turn LEFT where after a few steps go through a gap in the hedge onto a road.
 5. Turn RIGHT onto the road continuing past the entrance to Great Higham Farm on the RIGHT and after a few yards further on turn LEFT onto a lane signposted KINGSTOWN RECTORY & CHURCH.
 6. After visiting the church, return to the lane and turn LEFT to continue to the 'T' junction, passing 2 oast houses on the RIGHT. Turn RIGHT onto the bridleway and after a few yards where it bends to the LEFT, continue straight onto a path into the woods.
 7. Emerge from the woods keeping to the edge of a field alongside the wood. Continue straight across 2 fields, eventually reaching a road by a bungalow. Turn LEFT & then almost immediately RIGHT onto CHURCH LANE.
 8. Continue along CHURCH LANE where just before the entrance to DODDINGTON PLACE, turn RIGHT into the orchard. Follow the path alongside the hedge, following the lane until reaching the entrance to the church car park. Turn RIGHT into the car park and at the end go through a kissing gate into the trees. At the next kissing gate go through into a field and follow the path to the LEFT, eventually reaching a road.
 9. Turn LEFT down CHEQUERS HILL, crossing over to the pavement as soon as possible & the end of the walk.
